

# Amabilia Safe - Power Nitrile Gloves Black

CE 2777

Strong nitrile gloves of the utmost quality. Extra durable, approximately 40% thicker compared to regular examination gloves. Superior elasticity and tensile strength, with excellent tear and puncture resistance. Complies with the high medical safety standards for protection against microorganisms, viruses, bacteria and various chemicals, also for cytostatics, as well as for food handling. Ergonomically designed for perfect fit and sensitivity, microtextured fingertips for improved wet and dry grip.

**Specifications:** AQL 1.5, Medical Grade, Food Grade, microtextured, powder free, latex free, silicone free, phthalates free
